

Employment Skills Positions 2021

Employer information for all the following positions:

Dani Herring
c/o Job Placement
103 Wenona Hall
Brookings, SD 57007
Phone: 605-688-4380

All positions are part time, after school, and over the summer with flexible hours. All information used should be factual.

Livestock Research Assistant

Looking for a part-time livestock and laboratory research assistant for approximately 10-15 hours a week. Responsibilities include handling and moving livestock, recording data, labeling laboratory samples, deep cleaning supplies and equipment, disinfecting animal housing pens, and assisting veterinarians with sample collections. Candidate must have experience working with large animals, have a strong work ethic, and a willingness to learn. Candidate must also be detail-oriented, have strong written and oral communication skills, and be able to work independently on smaller projects.

Landscape Maintenance Manager

Searching for a landscape manager for lawn and ornamental plant care. Must be able to lift 50 pounds, understand basic plant care, and have a valid South Dakota drivers license. Duties include weekly or bi-weekly lawn mowing, detailed weed trimming, lawn fertilizing, plant watering, and landscape cleanup and management. All equipment and safety training provided. Candidate must be flexible and highly motivated to mow throughout the summer when necessary. Job begins May 15th through September 1st.

Social Media Intern

Start-up agribusiness seeking a social media intern. Duties will include laying the groundwork for and performing assistant manager duties for a successful small business social media platform. Company currently has no social media presence, but desires to have active Facebook and Instagram pages. Applicants must have social media experience, be skilled in photography, and strong written communication skills. All candidates will be subject to a social media background check. Some small customer research projects, advertisement designing, and office work will be included. Must be proficient in Word, Excel, and PowerPoint.

Seed Warehouse Office Assistant:

In need of a part-time office assistant after school and on Saturday mornings. Must have strong computer skills, legible handwriting, and proficient phone skills. Candidate must be able to multi-task, have strong customer service abilities, and have some knowledge of the retail and agriculture industries. Position also includes office care, cleaning, and some inventory data entry. Experience in crop production is preferred, but not necessary.

Swine Load-Out Assistant and Weekend Barn Hand:

Looking for part-time help to load out and assist in a wean-to-finish swine unit. Light chore help needed on weekends and 2-3 days a week during the summer. Must have livestock handling experience and have YQCA or PQA training certification or be able to obtain certification prior to the start date. Load outs will be every 3-4 times per year and will be 5:00AM to 8:00 AM days over the course of 2 weeks. Efficiency, attention animal health, and a moderately flexible work schedule is necessary. Individual must be able to lift a minimum of 50 pounds and be a quick learner. Additional training will be provided as needed.
